

Investment Policy Statement

Updated October 2019

Trustees are responsible for making decisions about their charity's investments.

The income from the charity's assets is to be used solely for the purpose of supporting the activities of the church, but specifically not for the maintenance of its fabric.

The total income generated at present is more than sufficient to meet the Church's normal outgoings.

Specifically, any grants received are to be agreed & signed off by the Church Council, not by the Treasurer, to ensure separation of duties.

The investments must be managed by the Church Council in such a way as to provide sufficient income to enable the Church to carry out its purposes effectively both in the short term and over the longer term.
